

Fabio F. Fontana

ITALIAN COMPUTER SCIENCE STUDENT

✉ fabio.fontana+contacts@protonmail.com | 🏠 fabifont.github.io | 📺 fabifont

About me

- I am energetic and driven, with an insatiable curiosity and a self-starter attitude. I am also a team player, proactively engaging with my teammates to ensure a structured and committed approach to our respective tasks
- Always open to coding challenges and interested in learning new languages and frameworks
- Experienced Linux, macOS, and Windows user
- Personal projects:
 - Co-producer of Management software for wellness centers
 - C++ Arch Linux installer
 - Telegram bots
- Hobbies include: football and volleyball. I also enjoy spending time with friends
